

Virtual Scavenger Hunt: Wildlife Drive

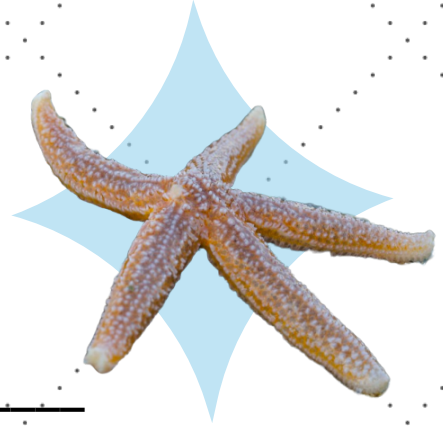

J.N. "DING" DARLING NWR

Follow along with Hannah!

How long is Wildlife Drive? _____ miles

What year was it finished? _____

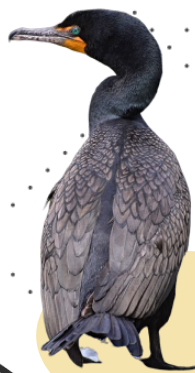

There's lots of life in the water!

How many sea stars do you see? _____

Is fishing allowed on the Drive?

Circle one: Yes / No

That group of black birds are
Double-Crested Cormorants.

How many do you see? _____

What kind of crabs are those?

How many did we see at the Mangrove Overlook?

How many holes in the mud?

These orange buoys help protect manatees, sea turtles, and the sea grasses they depend on.

How many do you see floating near Wulfert Key? _____

We have both Green and Brown Anoles at the refuge.

Color this one to help him blend in with the leaves or the log!

Thanks for joining us!
