

Poison Ivy and Virginia Creeper

Can you tell the difference?

What is the rhyme about Posion Ivy ?

.....

- Count the leaves! What vine is this ?

Did you know this ivy's red berries are eaten by migratory birds and spread to different locations?

.....

- Count the leaves on this plant! What vine is this ?

Did you know this vine isn't creepy at all? This ivy likes to climb or creep up walls, fences, and trees!
