

Stock Transfer, Wire and ACH Transfer Information

"Ding" Darling Wildlife Society- Friends of the Refuge

The following is the information your accountant or financial planner will need to transfer stock to benefit the "Ding" Darling Wildlife Society. It is difficult to know who the stock comes from when it's transferred because they don't attach names etc. If you have an idea as to the stock or at least an approximate transfer gift to look for, it would be helpful to let us know, so that we can attribute the gift to you. Thanks so much again for your interest in supporting this very important effort!
