

Dr. H. Randall Deming Scholarship for Conservation and Environmental Studies

This annual scholarship was established in memory of Dr. H. Randall Deming by his family. Randy graduated from Dartmouth College and the University Of Vermont School Of Medicine. He practiced Radiology at the Maine Medical Center for 30 years, which included serving as the Chair of the Department.

After retiring in 1995, Randy and his wife Ann divided their time between Maine and Ft. Myers. A lifelong outdoors enthusiast and avid birder, Randy loved spending time at the “Ding” Darling National Wildlife Refuge and would initiate frequent outings to the Refuge with his children and grandchildren.

Affectionately known as “Big Daddy,” Randy was a wonderful husband, father, grandfather and friend. He is remembered for his crushing hugs, gentle demeanor, big heart and great love for his family.

Because he truly appreciated and valued the importance of education and the protection of our natural habitat, this scholarship has been established to provide an opportunity for students interested in the conservation and preservation of our natural environment to pursue their studies.

Family and friends can continue to support the Dr. H. Randall Deming Scholarship with gifts that will be placed into the endowment in his memory. Visit the dingdarlingsociety.org and click the donate button.

To learn more about establishing your own permanent endowed fund, call 239-472-1100 ext. 4. Donors can establish an endowment with a gift of \$10,000 or more. Proceeds earned by the investment go towards supporting the Refuge mission.
