

2022 "DING" DARLING FRIDAY LECTURE SERIES

Sponsorship Opportunities

The "Ding" Darling Lecture Series is an immensely popular series, now in its 18th year. The 2022 series will consist of seven free lectures from February 4 to March 25, 2022, offered at 10 a.m. and 1 p.m. Lectures are always filled to capacity with an anticipated attendance of 100+ each lecture. As we move into the celebration of the "Ding" Darling Wildlife Society's 40th Anniversary, we have scheduled a stellar line-up of speakers.

Unfortunately, costs for the lecture series continue to increase, as many speakers no longer receive support from their publisher for stipends or travel expenses. We depend on sponsorships to continue this free educational series to the public, which are used to cover our expenses for the series.

Full sponsorship for each lecture is \$5,000. However, these lectures can be "shared" by up to five different sponsors for \$1,000 each. Some will consider sponsorship of a half a lecture, and that can be "shared" as well. Several businesses and individuals are currently considering support for these lectures, and we hope you will as well. Please find the scheduled lectures and sponsorship benefits listed below.

Sponsorship Benefits

Lecture sponsors will receive recognition during the lecture; in DDWS' weekly e-newsletter, "Ding" on the Wing, which is sent to nearly 30,000 readers; in the DDWS quarterly newsletter; the DDWS website lecture page; in lecture press releases; and through various social media outlets. Sponsors will also have an opportunity to enjoy a complimentary lunch with the speaker for up to four guests. In addition, depending on the level of support for the various lectures, sponsors will receive a certain number of reserved seats for the lecture, a book (if there is one) signed by the author.

To become a sponsor or learn more about sponsorship, please contact April Boehnen at 239-472-1100 ext. 256 or aprilb@dingdarlingsociety.org.
