Hello from Villas Elementary School,

We wanted to thank you for bringing your AWESOME program to our school! The students thoroughly enjoyed the hands-on activities and beautiful graphics in the WOW bus. Your staff and volunteers were very knowledgeable, friendly and incorporated many of our Science standards into the program. The reusable water bottles were a wonderful and unexpected surprise! ☺

Now that the students have seen what is in our "own backyard" they really would love to visit the refuge. Hopefully, we can organize an on-site field trip in the future.

Thank you again for a FANTASTIC program!

A handwritten signature in black ink that reads "Deanne D. Mason".

Deanne D. Mason
